SOFTWARE ARCHITECT SECURITY FOCUSED

Single

Assets :

- Good interpersonal skills
- experience of heterogenous environments
- experience of local & remote group work
- Training completed by self-taught

Objectives :

- Search and deploy best solutions
- Rock-solid and evolutive software development
- Agile practices (XP, tests, ...)
- Top-notch technologies usage (Ruby / Ruby on Rails / iPhone)

TECHNICAL SKILLS

OS :

- Unix : FreeBSD, NetBSD, OpenBSD
- GNU / Linux : Debian, Ubuntu, Slackware, Gentoo, RedHat, Mandrake
- Mac OS X
- MS-Windows : 3.11, 95, 98, NT4, 2000, XP

Networking :

- Protocoles : IPv4, IPv6, WAP, ip routing, ppp, ...
- Firewalling : BSD : ipnat, GNU / Linux : ipfwadm, ipchains, iptables
- NAT : BSD : ipnat, GNU / Linux : ipnatadm, ipport, ipnat
- WKS : Bind (4, 8, 9), Sendmail, Exim, Postfix, OpenLDAP, Apache, Lighttpd, POP 3, IMAP 4, FTP, SSH, SVN, CVS, NFS, Samba, AppleTalk, Squid, IRCd, Sympa, Inn, ...

Languages:

Ruby, Ruby on Rails, Sinatra, HTML, CSS, SCSS, SQL, C, Objective C, Cocoa, MooTools, CoffeeScript, Prototype / Scriptaculous, JQuery, Shell Scripts

Various :

Mercurial, Git, The Gimp, Photoshop, LATEX 2ε, Microsoft Office, Open Office, ...

BACKGROUND & EXPERIENCE

Synbioz (Lille, 59)

Software architect : since 05/2010

- Web apps using *RUBY ON RAILS*
- Desktop apps using *RUBY*
- Mobile apps (iPhone / Android)
- Unix servers administration
- Projects management

Audace
(Lens, 62)

Software architect : 10/2007 - 05/2010

- Web apps using *RUBY ON RAILS*
- Unix servers administration
- Internal information system improvement
- Projects management

WebPulser
(Lille, 59)

Software architect : 10/2006 - 10/2007

- Web apps using *RUBY ON RAILS*
- Unix servers administration
- Projects management

Nuxos Group
(Vincennes, 94)

Software developer : 03/2006 - 06/2006

- Secured online stores
- *French* Ruby on Rails community website development

LANGUAGES & DEGREE

Languages:

- French: mother tongue
- English: fluent
- Spanish: basic knowledge
- Italien : basic knowledge

Degree:

- Master's degree in computer science (security emphasis)
- BTS (two-year diploma) in IT, specialty software development
- DEUG LCE English (one-year diploma)
- French High School Diploma in sciences

ADDITIONAL INFORMATION

Computer related:

- Volunteer Advicing, training and technical speaks
- Active participation in **RailsFrance** (<http://www.railsfrance.org>)
- **RubyFr** association member (<http://www.rubyfr.org>)
- Free softwares development (<http://www.bitbucket.org/Bounga>)
- Speaker (RMLL / RailsConf Europe)
- Ruby on Rails improvement (core patches)

Various:

- Motor bike
- Guitar
- Paint-ball
- Squash
